| Areas | | |
|---|---|---|
| Physics (Faculty of Physics) | Biology (Biological Institute) | Ecology and Nature Management (Biological Institute) |
| Mechanics and Mathematical Modeling (Faculty of Mechanics and Mathematics) | Fundamental Mathematics (Faculty of Mechanics and Mathematics) | Surface-Water Hydrology (Faculty of Geology and Geography) |
| Digital Technologies in Geography and Education (Faculty of Geology and Geography) | Geology (Faculty of Geology and Geography) | Ecology and Nature Management (Faculty of Geology and Geography) |
| Meteorology (Faculty of Geology and Geography) | Geographical Basis for Tourism Development (Faculty of Geology and Geography) | Radiophysics (Faculty of Radiophysics) |
| Chemistry (Faculty of Chemistry) | Soil Science (Biological Institute) | Agronomy (Biological Institute) |
| Forestry (Biological Institute) | Landscape Architecture (Biological Institute) | Digital Brand Management (Faculty of Psychology) |
| Publishing (Faculty of Philology) | Sustainable Development and Territorial Administration (Siberian Institute of the Future) | Economics (Institute of Economics and Management) |
| Management (Institute of Economics and Management) | HR Management (Institute of Economics and Management) | Public and Local Administration (Institute of Economics and Management) |
| Finance and Credit (Institute of Economics and Management) | International Management (Institute of Economics and Management) | Sociology (Faculty of Philosophy) |

| | | |
|---|---|---|
| Social Work (Faculty of Philosophy) | Migration Studies (CAE: Siberian Institute of the Future) | Social Anthropology (Faculty of Historical and Political Sciences) |
| Records Management in Modern Organization (Faculty of Historical and Political Sciences) | Applied and Historical Analytics (Faculty of Historical and Political Sciences) | Political Communicativistics (Faculty of Historical and Political Sciences) |
| Complex Asian Countries Studies (Faculty of Historical and Political Sciences) | Expert Support of Regional Development Strategies (Faculty of Historical and Political Sciences) | Philosophy (Faculty of Philosophy) |
| Art & science. Art. Design. Technology (Institute of Arts and Culture) | Computational and Cognitive Linguistics (StrAU Institute of Human of Digital Era) | Philology (Faculty of Philology) |
| Linguistics (Faculty of Foreign Languages) | Studies of European Union (Faculty of Historical and Political Sciences) | Management in Technological Systems (Faculty of Innovative Technologies) |
| **Faculty of Physics and Engineering** | | |
| Applied Mechanics | Technical Physics | Mechanics and Robotics |
| Ballistics and Fluid and Aerodynamics | | |
| **Faculty of Radiophysics** | | |
| Photonics and Optical Informatics | Radiophysics | Optical Engineering |
| | | |
| Chemical and Biomedical Technologies | Faculty of Chemistry, Autonomous Master Program Translational Chemical and Biomedical Technologies | Information Systems and Technologies in Geodesy and Cartography (Faculty of Physics) |

| Digital Technologies (Institute of Applied Mathematics and Computer Science) | | |
